Flow Chart

As you read the agenda items, they will fall into three general categories: **Review**, **Discuss**, and **Consider**.

- **Review** is reviewing the work that was completed in the past year. Provide suggestions, changes, or corrections.
- **Discuss** a request to brainstorm and bring your group's ideas and suggestions.
- **Consider** means a vote might be taken at the General Service Conference on this item. Ask your group for a yes/no or for/opposed response. If your group has no strong opinion either way, it is OK to report that as well.
