

Aloha Intergroupers and HG Reps!!!!!!,

Mahalo to everyone who came out and helped make our Founders Day celebration such a meaningful event. It was a day filled with fellowship, laughter, great conversations, and a true spirit of recovery.

A special thank you to our local kupuna for sharing their experience, strength, and hope. Their stories were a powerful reminder of where we've come from, the foundation of our Fellowship, and why we continue to carry the message today.

Thank you to all the home groups that participated and shared their time with us: Knuckleheads, Kalihi Sobriety, GrapeVine, Kaneohe Discussion, Malia Discussion, and TYG. Your participation helped make the day a success.

Mahalo as well to everyone who brought food, helped with setup and cleanup, and contributed to the warm atmosphere of love and fellowship throughout the day. Events like this are only possible because of your willingness to serve.

Our 7th Tradition collection totaled \$160.30. Thank you for your generosity and continued support.

We look forward to hosting everyone again next Founders Day. Until then, keep coming back. It works!

Larry W. Johnson
